Cuisines around the world.

Hello Guys.This is Noorjaha...here I come up with my Blog.

The major reason behind choosing this topic has to be my passion for cooking. I love trying out new recipes and the sheer pleasure of successfully acing a dish is really therapeutic for me. As you all may be aware, the cuisines around the world vary over a wide range. The flavours, spices and consistency varies drastically. So today, I'm going to share some information about some of the best cuisines around the world.

1. Indian Cuisine.

The appeal of Indian cuisine is not just limited to Indians; millions of people across the globe love it.

But what sets Indian cuisine food apart from other cuisines in the world? Indian food is not just tasty but it's healthy too due to the presence of some nicest spices that are known for several health benefits.

Some famous Indian Dishes are:

Daal Makhni, Butter Chicken, Samosa Pav, Vada Pav, Dhokla, Idli Sambhar, etc.

2. Italian Cuisine.

Italy is well known for its art, ancient architecture, beautiful scenery, music, balmy weather.....and its food.

All Italian recipes are about enhancing the good ingredients they involve.

Some famous Italian Dishes are:

Pasta, Pizza, Quesadilla, Garlic bread etc.

3. Arabian Cuisine.

Trying Arabic cuisine is a crucial aspect of any visit to the Middle East. The food is plentiful with so many different, delicious options to appeal to every palette. Traditionally, these are sharing dishes, which is great news as it gives visitors the opportunity to order as many as possible and try a bit of everything.

Some famous Arabian Dishes are:

Hummus, Pita bread, Falafel, Baba Ghanoush, etc.

So that's some information that I wanted to share with you all. If you want to know more, you can follow me on [Instagram](#) and also subscribe to my [YouTube](#) channel.
